

BROKEN WALLS

By Bill Pugh

Zechariah had a vision. He saw the devastated city of Jerusalem.

A young man was measuring the area where the walls had been in order to rebuild them.

God sent an angel to tell him not to bother, for he would rebuild the city.

No walls would be needed. People, animals and all visitors could travel in and out in safety.

It would be an open city under God's protection.

The Ukraine is being destroyed with countless homes and lives destroyed.

The Middle East is in constant turmoil. Will China invade Taiwan?

We need to pray for angels of mercy to visit the broken walls of humanity and bring peace.

MORE MONEY FOR MISSION

God calls us to be wise and generous stewards of the resources with which we have been blessed.

The UCA Vic Tas now provides a new opportunity for congregations to more fully live into this calling by transitioning real estate assets into shares in an ethical fund.
