

# OUR ORGANIST

By Bill Pugh

She lived on a farm in the hills outside our little town and was never late for service, always arriving a few minutes beforehand.

This particular morning, though, she was late.

We began the service and she arrived in time to play the second hymn.

What had happened, we wondered?

She had stopped to rescue a cow which had been stranded after its foot was caught.

She freed the cow and continued on to church.

She was always doing Christ-like deeds and took her turn in conducting our Bible study at the farm.

## Bequest

*Remember the Church in your will.*

A bequest will help continue to work of the Church long after you're gone. There are many ways a bequest can help the work of the Church – whether for a specific cause that's dear to your heart, for a specific congregation or for the general purposes of the life of the Church.
