

HOW MANY DAYS LEFT?

By Bill Pugh

It's a question we ponder as we get older.

As kids we wasted time, believing we had plenty up our sleeves.

We looked forward to weekends, our own time to please ourselves.

And the holidays beckoned, free from school and homework.

As adults planning our holidays we would decide whether to travel overseas or take a cruise.

As retirees, we plan to take it easy playing golf or bowls.

Reflection:

Read and consider the wisdom of Psalm 97.

Sooner or later, though, we realise that time is running out.

We need to take stock of our years, and ponder what we have contributed.

How can we make the most of the days left?

Have we made a difference?

What can we still do, even though time is limited?

MORE MONEY FOR MISSION

God calls us to be wise and generous stewards of the resources with which we have been blessed.

The UCA Vic Tas now provides a new opportunity for congregations to more fully live into this calling by transitioning real estate assets into shares in an ethical fund.
