

# DOING THINGS TOGETHER AGAIN

By Geoff Serpell

A reading from my “Friendship Book” relates an Arab proverb declaring “All people are but the teeth of a comb”!! This prompted my memory of a comb missing a few teeth, so perhaps that proverb meant we were easily detached.

A comb must face up to a head of tangled hair, but it gets the job done; those tangles are untangled,

the unruly is brought to order. Each tooth on the comb does its bit.

May we be more like the teeth of a comb? It is not such a glamorous description. But if it means standing side by side with our brothers and sisters to face a possible disaster, or get a job done that would be impossible for any of us on our own, then let us accept that.

## Reflection:

*What a wonderful prospect we have in the New Year 2021, to work together to do the Lord’s work safely and in and with His love*

## GIFTS AND DONATIONS

**Gifts, major donations & trusts – help the work of the Church today**

Gifts can take many forms, including cash, shares, real or things such as valuable paintings. Some people choose to establish a trust which commences during their lifetime, others choose to establish a testamentary gift (bequest) in their will, others as a memorial to a loved one.
