# **B** The Congregation

B1 Tell a potential minister about this placement and yourselves, in your own words and pictures, in no more than one page. Share something of your congregation's values, beliefs and ways in which you live out and share the gospel message.

Include comment about why you need a new minister. How will this placement be exciting, challenging, and attractive to a minister? How can God be served in new ways here? What do you want the Minister to do with you and for you?

This is your chance to 'be creative' and catch the attention of someone who is thinking of sharing their call, their gifts, their life with you.

The Cradle Coast is the coastal area of picturesque North-West Tasmania between Devonport and Wynyard and inland to Cradle Mountain. The UCA Cradle Coast Cluster includes Devonport, Penguin, Burnie, Stowport and Wynyard Congregations.

Our congregations have been working together and sharing ministers for the last 8 years, which has proved challenging yet successful and a blessing.

Each of our congregations has active lay preachers and/or worship teams, with regular attendees.

If you are seeking relief from constant city traffic commuting, Cradle Coast placements offer peaceful driving and natural beauty around each corner.

#### **DEVONPORT**

Devonport Worship services have taken on more varied forms with a roster of Worship Teams leading worship. We have fostered contacts with First Nation people and the Pride community, and we financially support one of our resource ministers to work one day a week with the Pride community.

On our focus table for worship, we have two ceramic hands joined together, one black and the other white. This has come to mean a great deal to members as it seems to symbolise the acceptance of all people before God and a call upon us to act likewise. For some of us our challenge is to make the scary move beyond the faith we held from Sunday School days to a more theologically diverse worshipping community.

# **PENGUIN**

OUR VISION - Penguin Uniting Church strives to be an open church. Open to God, to one another and to the community.

OUR MISSION - Love God, Ourselves and our Neighbours.

- The Penguin community is friendly, happy & very community minded ie community acts positively when something is needed by someone or the community. We look out for each other ie a strong neighbourly attitude. The community use our facilities regularly ie our location is central to the community. Eg Penguin In Pink, Big Morning Tea etc. The local evangelical church 'The Rock' use our church for prayer meetings. We actively engage with and support the PALM (Pacific Australian Labour Mobility scheme) workers when they are here on the Cradle Coast.
- Penguin is a busy tourist hot spot apart from just visiting the town they come to see the "big Penguin" and our iconic church building. Penguin has a very active History group, Op shop and 'Penguin Makeover Committee' all of which we support regularly
- We believe to have a minister would help us to be more accountable, support us in our missional work, training, worship services and study resources. Also, some pastoral care visits as necessary.
- Our congregational members are very active & hard working who are very supportive of any events held.

  Demographic is predominantly from around retirement age onwards. There are some younger families who attend on special occasions. Penguin Congregation uses the Revised Common Lectionary.

# BURNIE REGIONAL UNITING CHURCH CLUSTER = Burnie and Stowport

BRUC Cluster is seeking a minister to guide and re-invigorate us and to suggest ideas to help us grow our membership and continue to maintain and revitalise our worship services and church life.

We are seeking a resource minister who would lead us in Pastoral Care and encourage Visiting Team training.

Members of our congregation participate in local groups and activities and go with God into these activities

# **WYNYARD**

Our congregation is seeking ministers to guide us, nurture us and revitalise us in our journey of faith and church life. Our priorities are serving the Lord through witness, worship, mission and service within our local communities. We are open to change and willing to be guided by our new ministers, though with some, there is reluctance to change on traditional activities and roles.

Recent ministers have prepared the way for us to follow in the way of Jesus more radically, for which we are grateful. The congregation has always been welcoming and caring, and supportive of each other in action and prayer. Everyone contributes to the life of the congregation in some way.

We do not expect the new ministers to attend every meeting, but when-ever possible. We would like them to undertake some visitation, with other church family members continuing to carry out most of the pastoral care.

We have a variety of churches in Wynyard, with a monthly meeting attended by most of the church leaders. We have some Ecumenical connections, e.g. Easter Community Services, Nursing Home service roster, support with the Community Carols by Candlelight in the Gardens, World Day of Prayer Service.

We have a children's ministry, in the form of brick builders (aka Lego) and Messy Church. We have an active UCAF. The Coffee 'n' Chat group meets monthly at a local café.

Wynyard congregation organises 2 major fundraiser/outreach community events, which contribute considerably to our church coffers. These are in the form of our Fair/ Market days (i.e. our own BBQ stall, Devonshire Teas, plant and cake stalls, garage sale; with Community members invited to hold their own stalls). We host pancake day and mid-year social lunches. We have our Harvest Sale of Goods with funds going to support 'Grandparents Raising Grandchildren' and other local needs. We also support the local chapter of The Smith Family organisation.

# **PENGUIN**

1. Grandparents raising grandchildren

Through Pancake Day, morning teas, Grovember, Biscuits & Groceries - not only is this supported wholeheartedly by Penguin UCA members but Pancake Day and Grovember involve the community. Support of this programme has been long standing at Penguin UCA.

2. Support and engagement with the PALM seasonal workers

This year there was a more organised approach to welcoming the PALM workers. All churches and some organisations were involved in a briefing on the history, culture, religion, lifestyle of the Timor-Leste. A welcome event was organised with the Op Shop which enabled the PALM workers to select warm clothes. From there on there were neighbourhood events organised, cultural events and invitations to sing in the various churches; use of our hall for activities; participating in the ANZAC DAY service in town; culminating in the participation in the Uniting World service where they sang, read the blessing and had morning tea with the Penguin UCA members. Integration was successful this year. So much so that these PALM workers are keen to return to Penguin next year.

3. Supporting Uniting World

Each year Penguin UCA supports Uniting World at Lent (Lent Event) and at Christmas with the EIC stall. This year we were not involved in the Lent Event and instead celebrated Uniting World Sunday. Money raised is quite substantial. Members are given updates of projects supported and cultural information.

#### **BURNIE REGIONAL**

# C2 What are three missional activities your congregation would like to develop?

# DEVONPORT

Deepening connection with the Six Rivers First Nation group as they reopen Tiagarra Cultural Centre at the Mersey Bluff.

Continue to explore ways to connect more with the Pride group. We hold a supply of frozen meals for those in need in this community,

Stronger connection with overseas workers as we support them in their local community cultural activities

# **PENGUIN**

\* Ecumenism

To enable the 6 churches in Penguin to work together to spread the gospel and support the Penguin Community. This year progress has been made - the Rock has monthly meetings to connect and encourage each other to share the good news of Jesus. Next year there will be an opportunity with The Penguin 150 celebrations when 2 ecumenical services will be held and hopefully we will be able to support the events organised by the other churches.

\* Health and wellbeing - participation in 'The Right Place' and support and help for mental illness. To participate in The Right Place project to ensure our people and our community have access to information about all the services available in the Central Coast to improve our health and wellbeing and address issues such as homelessness and poverty. The Congregation already supports congregational members with mental health issues.

\* School Chaplaincy

Support of this programme has improved as now not only are we providing monetary support (\$2000 a year) but are involved in other programmes associated with School chaplaincy eg, breakfasts at school and Formal connections. This is how we can best reach the youth in Penguin and ensure they are supported and have an opportunity to hear the good news.

# **BURNIE REGIONAL**

Would appreciate encouragement and guidance from the new placement in this area.

Explore opportunities for utilising property for a community hub.

Explore the opportunity for establishing and connecting with a new Christian Faith Community in Burnie.

## **WYNYARD**

## C3 How has the congregation changed in the past two years?

# **DEVONPORT**

During COVID and since, we have developed a Zoom community each Sunday

#### **PENGUIN**

While we have an aging congregation, we also have new people coming because of our worship style, moved to our area, or know someone. Activities have been downsized to suit abilities.

#### **BURNIE REGIONAL**

Decreasing numbers due to death and entering Nursing Homes. Combining with Wynyard Congregation for worship and fellowship.

## **WYNYARD**

We are all 2 years older, 2 years wiser.

Our combined Services with Burnie and Wynyard at Cam Rise (in Somerset) have rekindled and strengthened our relationship with our neighbouring church family.

# C4 What changes and developments are anticipated in the next three to five years?

## **DEVONPORT**

In the last 6 months, our congregation has suffered the loss of 3 very significant members of our congregation. We wish to pause, gather ourselves and consolidate our activities without losing any of what we have gained in the past few years. Then reach out further into the community. Our whole aim with the sale of our old church and moving on was to free ourselves, and allow us to move into the community more.

## **PENGUIN**

Decline in abilities of current active members but some increase in numbers and increasing support for and participation in our community

## **BURNIE REGIONAL**

Continued diminishing numbers of parishioners able to attend church services and church related activities

# **WYNYARD**

Our congregation numbers may decline, we need to be prepared for the changes that come.

Wynyard congregation looks to ways of being relative to its age group, seeking opportunities to involve the greater community in it worship, caring and supporting.

Our widening participation, through the Cluster, within the Indigenous and LGBTQIA+ communities.

# **D** The Community

# D1 Describe the wider community in which your ministry is located.

## **DEVONPORT**

Devonport has a population of a little under 26,000. There are 4 primary schools, 2 high schools, several private schools and colleges, and a Year 11 & 12 college. Excellent sporting facilities with some more in the planning stages. Geographically Devonport is on the Mersey River and is the gateway to Tasmania with the 2 'Spirit of Tasmania' roll-on-roll-off ferries arriving daily. Devonport has grown exponentially with the local council's Living City plan coming to fruition with the new paranaple centre ('gathering place' in Punnilerpanner language - library, performing arts, local government offices.) The essence of paranaple reflects past, present and future; communicating a welcoming experience to both visitors and the Devonport community alike.

## **PENGUIN**

Penguin is a quiet coastal town at the foot of rich Northwest farmlands looking north across Bass Strait, nestled between Ulverstone and Burnie. The Uniting Church holds a prominent position in the main street, on the beach front. The beautiful old wooden federation style building with unique 'key-hole' stain glass windows provides a focal point for the community and many tourists.

## **BURNIE REGIONAL**

Burnie is a major port city which is located on a coastal plain ascending to the surrounding hills. It was once a heavy industry town linked to the mining industry of the West Coast but is now more light industry. Stowport is rural in nature. Many of our young people move away for further education or work but many are unemployed and some don't complete their education. There has been a small influx of migrant professional people, mostly medical which has brought some ethnic diversity. Stowport is a rural community

#### **WYNYARD**

Wynyard is nestled in a rural area. The town and surrounds is a vibrant active community catering for all ages. It has a number of very active sports clubs; primary, secondary and Catholic schools, with a matriculation college and University campus 20 mins drive to the city of Burnie. NWRH and the local Private Hospital are located in Burnie.

# D2 What makes this an enjoyable place to live?

# **DEVONPORT**

Devonport provides a calm, relaxing living environment. Plenty of well situated eating and coffee places, and easily accessible supermarkets, shopping, banks, businesses and accommodation. Country drives are in abundance, and exceptionally well maintained and well lit walking tracks along the rivers and beaches. Numerous sports and community groups of all ages. Regional Athletic Facility and National standard AFL/Cricket stadium, Basketball Stadium, Golf Club etc

## **BURNIE REGIONAL**

We have a temperate climate, scenic coastline, close to mountains, ocean and rural countryside. It is a beautiful part of Tasmania. We have a hospitable and caring congregation. There are a wide variety of social, sporting, cultural and lifestyle activities such as bush walking, hiking, gardening, camping and beaches. A variety of dining opportunities and shorter distances to scenic attractions than most other states. Cradle Mountain, the Tarkine, the West Coast are merely hours away. We also have easy access to historical sites going back to Australia's early convict history.

# **WYNYARD**

We have our glorious Coastline, with accessible white-sand beaches and coastal walks. Easy and close access to wilderness parks for adventures over our rolling hills and mountains in the distance. We are a welcoming community, have some of the cheaper housing in the State.

Also have an Aged Care facility.

#### **WYNYARD**

As in most areas we do have pockets of low-socio economics and unemployment.

Drug and alcohol abuse and domestic violence is a concern; politics of environment vs mining, wind farms, timber industries etc.

Limited low-cost rentals.

# D4 How closely does your congregation reflect the demographics of your local area?

# DEVONPORT

It is a good reflection of the local demographic but not as many young people

#### **PENGUIN**

Largely our congregation reflects the demographics of the area - mainly a retired population

# **BURNIE REGIONAL**

Not very closely, we are an ageing congregation, most members 80+ while the wider community is younger and more diverse.

The Stowport congregation is more reflective of their community which is rural

#### **WYNYARD**

We don't really. We are predominantly an ageing congregation, many with rural ties. Our younger families attend monthly at Messy Church Services.

# D5 What community facilities are present in the local area?

# DEVONPORT

There is a local hospital, another in Burnie and Launceston. All accessed within an hour's drive. The local Service Tas centre is located in the paranaple centre where one can access local and state government needs.
