Fundamentals of Transitional Ministry

This is a three-day program designed to give you an introduction to the key concepts and practices of ministering with congregations and agencies in times of transition. (Isn't that all of them nowadays?). While it is a stand-alone program, it is also the first phase of training that leads to being qualified as an Intentional Interim Minister. Thus, it is useful for anyone in lay or ordained ministry who is dealing with change, transition and new opportunities, and also for those exploring a call to Intentional Interim Ministry.

The FTM will be lead by Rev Sharon Hollis (Culture of Safety Resource Minister) and Rev Fran Barber (Continuing Education Coordinator) at the Centre for Theology and Ministry, Melbourne.
