SECTION 2 – MISSION DIRECTION

2.1 What is the Vision statement and or Mission priorities of the placement (or of the individual congregations)

Clarence Uniting Church Mission Statement:

The Clarence Uniting Church is a diverse community seeking what it means to believe in God and follow Jesus in our local and global context.

Our Mission:

Our worship of God is at the core of who we are.
We value our sense of family and seek to welcome,
Include and care for people of all ages and backgrounds.
Inspired by Jesus we seek to serve, care and work for justice in the wider community.

Clarence Church:

Our activities are just as diverse: enjoying each other's company, journeying to discover who God is for us across generations so that we might engage in building a sustainable future. We recognise the leadership of both women and men, and work to discover a more eco-friendly way forward. We also commit our church to being a safe place for all people especially children and vulnerable adults. We seek to address the real world in the way in which we live and the issues we face. Contemporary life throws up many challenges, especially for families, so we invite you to join us exploring how we can live a life of Jesus values in the world today.

2.3 Provide a short description of the placement/congregation(s)

We identify as one congregation, meeting in two places, Lindisfarne and Bellerive, with one church council. Each worship centre has its own style of worship which largely reflects the demographics of the suburb in which it is located.

Lindisfarne Centre – an older congregation; close-knit, strengths in pastoral care for each other; traditional values; prefer familiar music and sense of history and connection with the village. Has a history of strong links with the management of the Opportunity Shop, located in the Lindisfarne Village. The members enjoy friendship on a regular basis.

Bellerive Centre – Broader age range with a small number of children/young families; enjoys focus on eco-theology and social justice; technology capable; enjoys shared leadership; tolerant of different styles of worship. The congregation has a Lay Preacher/Family ministry leader, and two lay worship teams. Music is assisted by musicians and vocalists,

2.4 How has the placement/congregation(s) changed over the last 5 years?

We have made important property decisions:

- Both the Sorell church which is not being used, along with the rental property which is currently leased, are to be sold.
- The Lindisfarne Church is also to be sold which will require sub-dividing from the Manse, currently used for the minister in placement.

The long term manager of the Op Shop located in the Lindisfarne Village has recently retired after 45 years voluntary service. Management in the short term is being undertaken by two members of Church Council with a view to strengthening the relationship between the Op Shop and the church. Exploration of further opportunities to offer mission through the Op Shop are envisaged.

Sorell Mission Team:

There has not been a Uniting Church presence in Sorell for some years since the closure of the church. However a Sorrel Mission Team was recently formed with oversight from the Church Council. They are meeting regularly. One of the aims is to care for former members and those in the community who suffer from loneliness.

There have been conversations between the ministers of the Greater Hobart area to explore opportunities and meet as a large group for special occasions.

2.5 What are the congregation/placement's goals?***Refer to 2.1.***

We continue to seek God's will to discern our direction.

2.6 What are the next Strategic Steps to achieving those goals?

- Establish a leadership team for goals to be met.
- Selling of three properties: Lindisfarne Church, Sorell Church, and former Sorell Manse.
- Requiring guidance for the Strategic Plan moving ahead.
- Developing mission priorities for Sorell.
- Bringing Lindisfarne and Bellerive closer together as one community.
- Continue to explore missional opportunity within the community.
- Developing links between the Op Shop and congregation, advancing further mission and establishing partnerships in the wider community.
