

LIGHT OF OUR WORLD

By Bill Pugh

We have an outside light which goes on automatically at night.

It's so good to have when we are late home.

A little while ago when I was in bed I woke in the early hours of the morning when the light came on.

An intruder was in our driveway making for our garage, but the light startled him and he quickly disappeared.

We informed our neighbours and the police.

How vital is light for our lives.

Jesus knew its value. He said, *"I am the light of the world, He who follows me will not walk in darkness, but have the light of life."*

John 8:12

How we need to thank God for him and every light which shines in the world.

Bequest

Remember the Church in your will.

A bequest will help continue to work of the Church long after you're gone. There are many ways a bequest can help the work of the Church – whether for a specific cause that's dear to your heart, for a specific congregation or for the general purposes of the life of the Church.
