Significant dates for First Nations People 2025

It is important for us to know as a Church what dates are important to First Nations People.

Church Councils and Social Justice groups could think about how they might recognise these occasions with special worships, fundraising for causes, or times for prayer and reflection. Individually we can all pray for our First Nations brothers and sisters, perhaps by sending words of encouragement on historically significant days.

January 19	Day of Mourning (First Sunday before Invasion Day/Australia Day)	<u>LINK</u>
